#### PLAIN TALK

TO CATARRH SUFFERERS.

Every person suffering from catarrh in its many forms knows that the common lotions, salves and douches do not cure. It is needless to argue this point or to cite cases of failure, because every victim of catarrhal trouble knows it for himself if he has tried them.

A local application, if it does anything at all,

simply gives temporary relief; a wash, lotion, salve or powder cannot reach the seat of the disease,
